INTRODUCING

EPCLRSAVE

**Our Engineering, Procurement, Commissioning,
Running, Financing and Leasing Services
for your savings for future**

EPCLR — the feather how and when

As leaders in the industry, our financing and leasing services are more effective than none

1

EPCLR

Operating/Finance Leases

- **indiasolarrooftop.com** offers clients a 'pay for use' model by structuring the cash flows, offering rentals that would result in a cost which is significantly lower than any other mode of acquisition for that asset.
- **indiasolarrooftop.com** underwrites the residual value which is approved by the Residual Managing Committee of our associates

2

Receivable Financing

- **indiasolarrooftop.com** also acts as a funder to where the transaction size is small

3

Onward Lending

Supply Chain Finance/ **SOLAR** Equipment finance

Equipment you can lease
